WHO IS ONE FOR ISRAEL?

For those of us growing up in **Israel**, Jesus and His Word are never part of the conversation—not in our school system, not in our synagogues, and not in our media. Nor do we get access to the **New Testament**. Jesus has been forced out of our lives for the past 2000 years.

But today, **Jesus, or as we call him in Hebrew, YESHUA....** is no longer the best-kept secret among **Jewish people in Israel!**

Two thousand years have passed since the first Jewish followers of Yeshua proclaimed the gospel in Jerusalem, Judea, Samaria and the uttermost parts of the earth, but TODAY the circle has been completed, and the good news of Messiah is being proclaimed once again **from Zion**.

Today **ONE FOR ISRAEL** reaches **Jews and Arabs with the gospel and disciples and trains the current and next generation of followers of Messiah. Using innovative methods and technologies, we are sending God's Word out again from Zion throughout the world proclaiming the gospel of Messiah.**

I would like to personally invite you to extend a helping hand and become ONE FOR ISRAEL!

Dr. Erez Soref, President

ONE FOR ISRAEL is a grass-roots ministry and an initiative of native-born Israelis on the forefront of high-tech media evangelism, proclaiming salvation to Israel, raising up spiritual leaders through Israel College of the Bible and equipping them with the tools they need to transform our communities.

JEWS & ARABS TOGETHER AS ONE

What the media will never tell you ...

Amidst all the violence and hatred around us, a miracle of peace and brotherhood is taking place at ONE FOR ISRAEL.

Today, we, **Jewish and Arab** Israelis, are the ones bringing the gospel back, where it started—back to our own people, in our own native tongues of **Hebrew and Arabic**. We can relate the **gospel** to our people in a way that makes sense to them, like only an Israeli can, helping our people understand who Yeshua really is.

ONE FOR ISRAEL is making Yeshua relevant again in Israel

Our staff and faculty combine advanced technology and media production with expertise in the areas of theology and apologetics. For the first time in history since the book of Acts, our team is reaching millions of Israelis with the Good News of Messiah Yeshua!

Can you imagine the impact this has in Israel and the Middle East? Here is a real, living example of peace between Jewish and Arab believers - all in the name of Jesus!

Instead of attacking one another, we share the gospel and study the Word of God together, in unity and in peace, serving Jesus as ONE new man!

MEDIA EVANGELISM IN ISRAEL & THE MIDDLE EAST

www.remnant.today

www.imetmessiah.com

www.oneforisrael.org/evangelism

In contrast to ancient Israel, modern day Israel continues to be on the cutting edge of technology.

Studies have shown we Israelis are more active on the internet and social networks, such as Facebook and YouTube, than any other country in the world.

Today, more than ever, Israel is ripe for evangelism on the digital frontier.

In the past, the message of the gospel came to Israel from outside our borders, delivered by people who did not understand our language, our culture, our heritage or our way of thinking. Today, we Jewish and Arab Israelis are the ones bringing the gospel back to where it started—back to our own people, in our own native tongues of Hebrew and Arabic.

Today, as we speak, the seeds are being sown by our various media outlets and initiatives—**answering rabbinic objections to Yeshua**, producing **testimonies** of Israeli **Jews and Arabs**, discipling new believers and broadcasting on the only Messianic radio station in Israel, **Radio AGAPE**.

With our success in reaching Israel with the gospel, our ministry has become the unofficial **face of the Messiah in Israel**, attracting attention from **mainstream media outlets and news channels alike**.

JEWS & ARABS SHARING THE GOSPEL

It is God's passion and our privilege to reach our peoples, as well as our neighbors in the Middle East, both Jews and Arabs, with the gospel of Messiah in Hebrew and in Arabic.

JEWISH EVANGELISM

We at ONE FOR ISRAEL believe the best way to bless Israel is by letting our people know **the best news of all**—offering them the gift of eternal life in Yeshua, the Jewish Messiah, the Prince of Peace.

ONE FOR ISRAEL's various Jewish media evangelism outlets and initiatives, include defending faith in Yeshua, answering rabbinic objections to Yeshua, producing powerful testimonies of Jews from Israel and around the world who have come to faith in Yeshua and providing powerful Biblical apologetic videos showing Yeshua is the Way, the Truth, and the Life!

Yeshua is no longer the best kept Jewish secret in Israel! Today, Israelis are recognizing Yeshua is the ONE of whom Moses and the prophets wrote.

ARAB EVANGELISM

Yeshua also taught us to love our enemies and pray for those who persecute us—to bless and not to curse them. What better way can we bless others than with the Good News that they can know God's love and forgiveness?

ONE FOR ISRAEL also produces evangelistic videos to reach Arabs in Israel and the surrounding area—both those who have grown up as Muslims, as well as those from Christian traditions who have never come to know Yeshua for themselves. Today ONE FOR ISRAEL is sharing the powerful gospel message in Arabic around the Middle East.

DESERTS & CAMELS...

...OR A HIGH-TECH SOCIETY?

When you think of Israel, perhaps you imagine a desert teeming with camels or people in tents riding donkeys to and from work. But modern day Israel is... well, VERY modern! Israelis love technology, and Israel is one of the leading nations in the high-tech industry! Israel is called by many "the start-up nation."

PERSECUTION & FRUIT

Due to our heightened exposure, persecution and death threats are an everyday reality. But in spite of much opposition, we continue to see the fruit of our labor—Israelis are coming to know Yeshua the Messiah daily, more than ever before!

PALESTINIAN FROM GAZA: "I live in the heart of Gaza and have watched your Arabic videos, and now believe in Yeshua. In him I have found peace, love and forgiveness."

ORTHODOX WOMAN: "I grew up in a Jewish Orthodox family. I once asked about Yeshua [Jesus] and was told right away never to ask about him again. I came across your videos which helped me greatly understand who Yeshua really is."

ORTHODOX JEWS: "Thank you so much! Me and my friend really enjoy your videos, they have pointed us to the truth and give us strength. Ever since we started believing in Yeshua, our lives changed for the better. We live in a religious community and our lives are difficult. Please pray for us."

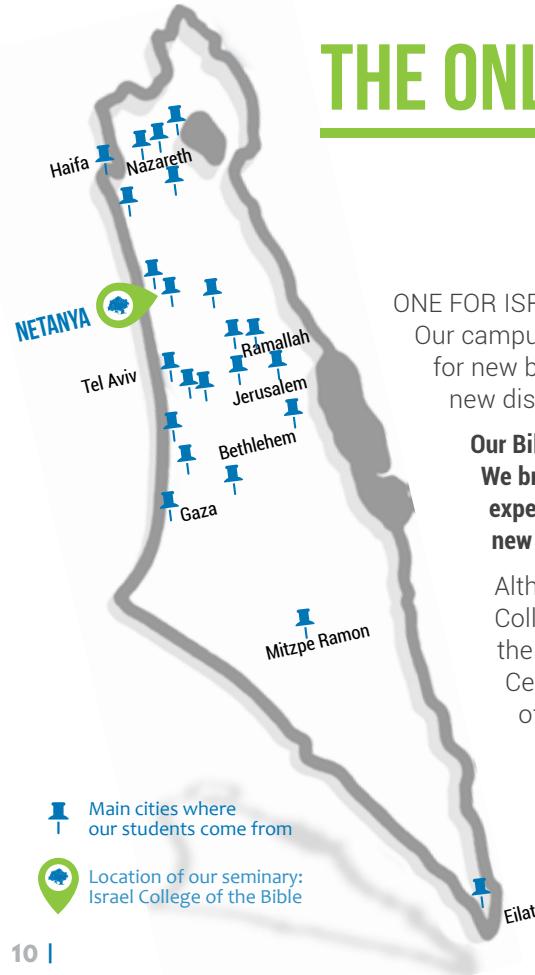

MUSLIM FROM GAZA: "All my life I grew up reading the Koran and hearing about the 'God of Islam' who is cruel and distant from us. Ever since I watched your video about Yeshua, I have found the truth and gave my life to Yeshua."

JEWISH MAN FROM JERUSALEM: "I found Yeshua on YouTube, through one of your advertised videos. Yeshua changed my life and I'm thankful to Him and to you because of it. I feel that my life was saved. All the information in your videos is so rich in content, pleasant to watch, and the way you explain things is so good that I came to that moment in my life of understanding who Yeshua really is."

This is one other tool in ONE FOR ISRAEL's toolbox to spread God's love and truth. We launched Radio Agape in 2013, and it is now operating from our campus in central Israel. The station has Messianic music from mainly local but also international artists in Hebrew, English and a few other languages. HUMANITARIAN AID & PRO LIFE

EMBRACING HOLOCAUST SURVIVORS WITH LOVE AND CARE

As the generation of Holocaust survivors is rapidly diminishing, ONE FOR ISRAEL is reaching out with aid to these special people. In partnership with local municipalities, we at ONE FOR ISRAEL provide humanitarian aid to Holocaust survivors embracing them with love and care. It is a unique privilege to be the hands and feet of Yeshua by providing the basic needs of these hurting people who need to experience the hope and love that can be found only through the gospel!

ONE FOR ISRAEL IS PRO-LIFE

Likewise and unknown to many, Israel suffers from a very high abortion rate and sadly is one of the leading countries in the world in this area. Being pro-life, ONE FOR ISRAEL not only stands *against* abortion, but also stands *with* the families and their newborns after birth, reaching out to new mothers with supplies for their increased needs and embracing them with the love and care of Yeshua.

TOUCHING LIVES OF THE NEEDY

TESTIMONIES:

"Thank you for helping me. It's really nice to know that I'm not alone and soon everything will be fine." - *Pro-life single mother*

"Thank you so much for helping me. I appreciate your help so much. I had no baby food left and was afraid, but, God sent you just in time." - *Pro-life family*

"I don't know how to thank you enough. You are doing a sacred work with helping the Holocaust survivors and I can't find the words to thank you for all your faithful help." - *Holocaust municipality coordinator*

DID YOU KNOW?

The Jewish Holocaust that occurred during World War II will always be remembered for generations to come as 6 million Jews were murdered. One of the untold truths of the Holocaust is the fact that many of the Jews killed in the Holocaust were followers of Messiah who lived in a thriving Messianic community in Europe prior to World War II.

We believe God has great plans for ONE FOR ISRAEL in the coming years, including significant expansion in each of our current areas of operation with the local and global body of Messiah, expanding the training provided by our Bible college and continuing to testify that Yeshua is the Messiah to Israel and the nations.

FAITHFUL STEWARDSHIP OF GOD'S RESOURCES

ONE FOR ISRAEL believes God delights in faithful stewardship of His resources and aims to have the highest standard of transparency and accountability.

SPIRITUALLY INVEST IN THE START-UP NATION

Being a grassroots ministry of native-born Israelis has its obvious advantages as far as serving our people. But, because our ministry is not well known outside of Israel, a major challenge is our lack of exposure, resources and relationships. This is where YOU enter the picture! Please join us....partner with us....so together we can make disciples, both Jews and Arabs, in Israel....and around the world!

As the beginning of a spiritual prophetic revival is now taking place in Israel, **Today is the day** to spiritually invest in the start-up nation. There are many good ways to bless Israel, but we believe that **the best way to bless Israel is with Yeshua!**

Today is the day to become ONE FOR ISRAEL.
