Who is **ONE FOR ISRAEL?**

For those of us growing up in Israel, Jesus and His Word are never part of the conversation— not in our schools, not in our synagogues, and not in our media. Nor do we get access to the New Testament. Jesus has been forced out of our lives for the past 2000 years.

But *today*, Jesus, or as we call him in Hebrew, YESHUA... is no longer the best-kept secret among Jewish people in Israel!

Two thousand years have passed since the first Jewish disciples of Yeshua proclaimed the gospel from Jerusalem to all Judea, Samaria and the uttermost parts of the earth. *Today* the circle has been completed, and the good news of Messiah is being proclaimed once again from Zion!

Today God enables ONE FOR ISRAEL to reach Jews and Arabs with the gospel, to make disciples and to train the current and next generation of leaders. Using innovative methods and technologies, we are sending God's Word out again from Zion throughout the world proclaiming the gospel of Messiah.

I would like to personally invite you to extend a helping hand and become ONE FOR ISRAEL!

Dr. Erez Soreq, President

ONE FOR ISRAEL is an initiative of native-born Israelis on the forefront of high-tech media evangelism, proclaiming salvation to Israel, raising up spiritual leaders through *Israel College of the Bible* and equipping them with the tools they need to transform our communities.

Vision and **STRATEGY**

Vision Statement:

Reaching and training a generation of Israeli disciples living in the Last Days who are equipped, mobilized, and energized with a first-century commitment to believe in God's promises and participate in His purposes for Israel and the nations.

Jews & Arabs **TOGETHER AS ONE**

What the media will never tell you ...

Amidst all the violence and hatred around us, a miracle of peace and brotherhood is taking place at ONE FOR ISRAEL.

Jews and Arabs as one new man are the ones bringing the gospel back, where it started—back to our own people, in our own native tongues of **Hebrew and Arabic**. We relate the gospel to our people in a way that makes sense to them, helping our people understand who Yeshua really is.

ONE FOR ISRAEL is making Yeshua relevant again in Israel and the Middle East.

YES — WITH GOD ALL THINGS ARE POSSIBLE!

Yes – Through Yeshua true peace is possible!

Media Evangelism **IN ISRAEL & THE MIDDLE EAST**

Israel is ripe for evangelism on the digital frontier!

Seeds are being sown by our various media outlets and initiatives—answering rabbinic objections to Yeshua, producing testimonies of Israeli Jews and Arabs, discipling new believers and broadcasting on the only Messianic radio station in Israel, Radio AGAPE.

With our success in reaching Israel with the gospel, our ministry has become the unofficial face of the Messiah in Israel, attracting attention from mainstream media outlets and news channels alike.

JEWISH EVANGELISM

We at ONE FOR ISRAEL believe the best way to bless Israel is with Jesus.

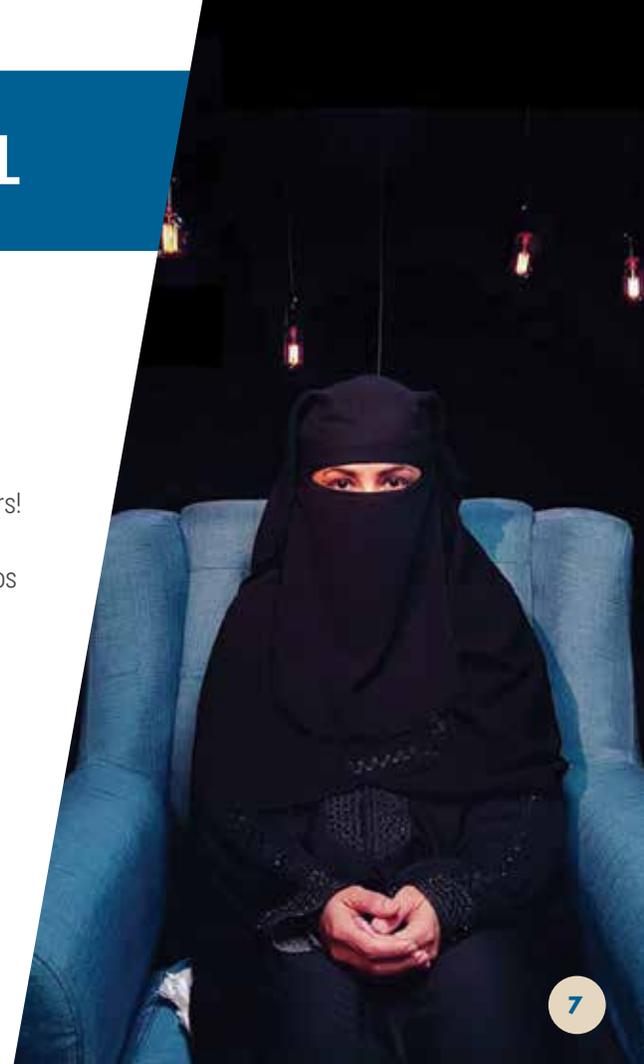

ONE FOR ISRAEL's various Jewish media evangelism outlets and initiatives are key in making Yeshua known in Israel again!

Today, many Israelis are recognizing that Yeshua is the ONE of whom Moses and the prophets wrote.

ARAB EVANGELISM

We love our Arab neighbors! ONE FOR ISRAEL also produces evangelistic videos to reach Arabs in Israel and the surrounding area.

Today ONE FOR ISRAEL is sharing the powerful gospel message in Arabic around the Middle East.

The Only Hebrew-Speaking **BIBLE COLLEGE IN THE WORLD**

ONE FOR ISRAEL operates the only Hebrew-speaking accredited Bible college in Israel (and the world). Located in central Israel, our campus is a place where we train, equip, and provide a platform for new believers and senior pastors alike to expand their faith and walk, in order to make new disciples and plant new congregations.

Our Bible college is more than just a degree!

We bring Jews and Arabs together in the classroom where many experience, for the first time in their lives, peace and unity as ONE new creation in Messiah Yeshua.

Our Bible college offers Certificate, Bachelors, Masters, and Doctoral programs in Biblical Studies, offers the only MA in counseling in the entire Middle East and operates the largest Christian library in Israel.

ONE FOR ISRAEL also partners with leading colleges and universities in Israel, offering double-major degrees in various professional programs combined with biblical studies and theology. We train our students to make an impact in the professional world as well.

The books are open, and they appear to be studying together.

The ONLY Women's Program

IN THE MIDDLE EAST

While women are oppressed throughout the Middle East, ONE FOR ISRAEL is committed to serve and train female leaders. We offer a distinctive Ministry and Leadership for Women program which offers purposeful study and personal discipleship. It is designed to encourage and equip women to provide spiritual care and spiritual direction. Our students gain a strong biblical understanding of women's identity and calling within their family, the believing community and the wider world.

Our goal is to see women grounded in biblical truth, equipped for a life of ministry and enjoying their role in the Kingdom.

Missions and **REFUGEES**

Our staff and students are fulfilling the Great Commission also outside our borders. On a regular basis ONE FOR ISRAEL sends out mission groups with staff and students to strategic locations around the world, from the Middle East to the Far East.

These mission groups are able to share the good news of Messiah Yeshua with the nations and serve local communities in many valuable ways.

ONE FOR ISRAEL also reaches out to Muslim refugees across the region and is able to provide biblical discipleship through our team to Muslim background believers in Jesus.

Humanitarian Aid & PRO LIFE

Embracing Holocaust survivors with love and care

As the generation of Holocaust survivors is rapidly diminishing, ONE FOR ISRAEL in partnership with local municipalities is privileged to practically assist Holocaust survivors with respect, love and care.

ONE FOR ISRAEL IS PRO-LIFE

Unknown to many, Israel suffers from a very high abortion rate and sadly is one of the leading countries in the world in this area. Being pro-life, ONE FOR ISRAEL not only stands *against* abortion, but also stands *with* the families and their newborns **after** birth, assisting new mothers with supplies for their increased needs.

Touching **LIVES**

TESTIMONIES:

“Thank you for helping me. It’s really nice to know that I’m not alone and soon everything will be fine.” - **Pro-life single mother**

“Thank you so much for helping me. I appreciate your help so much. I had no baby food left and was afraid, but God sent you just in time.” - **Pro-life family**

“I don’t know how to thank you enough. You are doing a sacred work with helping the Holocaust survivors, and I can’t find the words to thank you for all your faithful help.” - **Holocaust municipality coordinator**

Did you **KNOW?**

The Jewish Holocaust that occurred during World War II will always be remembered as 6 million Jews being murdered by the Nazi regime. One of the untold truths of the Holocaust is the fact that many of the Jews killed in the Holocaust were followers of Messiah who lived in a thriving Messianic community in Europe prior to World War II.

Eternally Invest **IN THE START-UP NATION**

Being a grassroots ministry of native-born Israelis has its obvious advantages as far as serving our people. But, because our ministry is not well known outside of Israel, a major challenge is our lack of exposure, resources and relationships.

This is where YOU enter the picture!

As the beginning of a spiritual prophetic revival is now taking place in Israel, **today** is the day to spiritually invest in the start-up nation.
