

ENTERING THE AIRPORT:

Enter the airport on International Parkway through a **TICKET-ONLY LANE** (even if you have a toll tag). The ticket-only lanes are located on the right-hand side of the North and South entry plazas.

TAKE A TOLL TICKET:

Note: **DO NOT** put your credit card in the machine as you are entering or you will be charged when you exit. Hold on to your toll ticket as you will need it to exit the airport.

FOLLOW THE SIGNS TO TERMINAL C

DO NOT follow GPS as it may lead you to a service road, exit left off **International Parkway**.

SELF-PARKING: After you enter the Terminal C half-circle roadway, stay in the right-hand lane and take the first right ramp up into the Hyatt Regency DFW parking garage. You are free to park anywhere within the parking garage.

Complimentary Golf Cart Shuttle Service will be available to take you to and from the parking garage if you desire. Please take note of which floor you are parked on before leaving the garage.

PLEASE NOTE: The height limit of the parking garage is 6' 6" – those with vehicles taller will need to take the second right to the valet parking area.

VALET-PARKING: ONE FOR ISRAEL is *not* providing free valet parking this year; however, the hotel operates a valet service that is available to you. Overnight, with in/out privileges - \$21/Overnight; Short term meetings and events - \$17/Daily.

CHECK-IN AT THE REGISTRATION TABLE:

We will provide you with a 16-hour pre-validated ticket for free exit from the airport cash or credit lanes. **DO NOT** exit from a "toll-tag only" lane – it will not accept the tickets.

LEAVING THE AIRPORT:

After the dinner, when you leave the airport, make sure to have both the toll ticket and the pre-validated free exit ticket with you. At the kiosk, put in/present the toll ticket first and then the free exit ticket. The gate will open, and you will be on your way!
